## Evangelist John L. Knight Holding Revival At Local Nazarene Church

EVANGELIST JOHN L. KNIGHT

The revival of the Nazarene church started last Sunday morning under the leadership of Evangelist John L. Knight, of Mineral Wells.

Evangelistic singer, Buford Burger, is leading in the inspiring song services.

These services, during this first week, have been exceptionally good and the attendance has been equally as satisfactorily. We especially want to call attention to the fine morning services at 10:00 o'clock. Unusually good attendance has been at all these early services.

We are expecting wide interest and increasing spiritual power during the next week. If you have not attended our church revival thus far, we extend you and your whole family and all your neighbors a cordial invitation to come worship with us. You will be pleased with the gospel messages of Evangelist Knight and enjoy the singing. We want you "At the church where you are always welcome."

Morning services 10 to 11 (One hour).

Evening services 7:30 o'clock.

Sunday school 9:45 and a class for all ages.

DAN D. JONES, Pastor

## METHODIST CHURCH

Yes, we're right upon the Easter season! It is becoming a period of extra religious effort. Most every sect has come to recognize it as such. Different towns are now in a concerted effort. With us it is "MARCH to CHURCH in MARCH!" Our little city is filled with the same sort of effort. It's a most excellent time to start back. Try some one of our Church school classes! These are most interesting groups, many of them. They all meet at 9:45 A. M.

OR TRY MORNING WORSHIP. It assembles an interesting group. It represents dignity with freedom. The choir is large and ready to share in select hymns. The pastor will deliver a sermon. Subject: "THE LONELY STRUGGLE." This is, as you know, Palm Sunday. It's

really the time to start over.

OR TRY THE EVENING SERVICE. It comes on at a fine time—7:30, and goes off at 8:30—long before any one's bed time. It opens with a BIG SING, informal and free. Nearly all join in. Some who nearly never sing are showing symptoms! Puckering up their mouths or humming. The pastor will deliver a sermon, using as subject, "ON PLAITING WHIPS." This service is one of the happy events of the week.

ADULT CLASS and the session of YOUNG PEOPLE at worship comes on at 6:30 P. M. Both of these in their line are interesting. The pastor will lecture on those organizations which hold world-wide Methodism as one body.

YOUNG PEOPLE are having a covered dish luncheon at 6 P. M. Come and bring your choice dish. Also bring a good appetite!

PASSION WEEK SERVICES will be announced elsewhere in the paper, by the good grace of the Herald management.

## Passion Week To Be Observed In Hamlin

Beginning next Sunday, March 16th, and continuing through the week, each evening at 7:30, services will be held in the local Methodist church in observance of Passion Week. And also Easter Sunday.

The following program is being arranged:

Sunday, 11 A. M., Subject, "The Lonely Struggle."

Sunday, 7:30 P. M., Subject, "Plaiting Whips."

Monday, 7:30 P. M., Subject, "Worried To Tears."

Tuesday, 7:30 P. M., Subject, Guest Speaker, Rev. H. E. East, pastor of local Baptist church.

Wednesday, Subject, "Sleep On Now—Take Your Rest."

Thursday, Rev. E. Carl Clement, pastor of St. John's Methodist church, Stamford, Guest Speaker.

Friday, each one present will be privileged to share in the worship of this hour. Holy Communion. The young people will have charge of a part of the service.

Easter Sunday, a lot of good music, prepared for the occasion. Sermon subject, "Thomas Being Absent."

Evening Hour, the big church choir will appear in a musical program—An Easter Contata. Easter in Song and Story. Every member of the church ought to be present. This is your opportunity.

John W. Hendrix, Pastor

Guests in the home of Mr. and Mrs. Irvin Smith for the week end were Mrs. Smith's mother, Mrs. L. M. Weaver and son, Stanley, and Miss Edna Smith, a cousin of Mr. Smith, all of Weatherford.

If Hamlin is to outsmart the mosquito, everybody must clean out, clean up and keep clean. The best time to start is NOW.

## Tuxedo Teacher For Clerk of Jones County

LEONARD McNUTT

To The People of Jones County:

A county office is a trust, and the officials of the county are trustees; and both the trust and the trustees are created for the benefit of the citizenship of the county. Realizing the importance of the duties and responsibilities of a county office and of its importance to you, I submit my candidacy for the office of County Clerk of Jones County, subject to the action of the Democratic primary.

I have made a careful survey of the office I am seeking and I feel that I am qualified to perform the important duties of the clerk's office. I submit the following conditions or requirements essential to the success of an incumbent for this office: organizing ability, executive ability, firm and tactful discipline, knowledge of clerical methods, working knowledge of public affairs, knowledge of human nature, vocational skills, a broad and general education, ability to co-operate with assistants, and common sense and sane judgment. Good health likewise is essential, as well as mental alertness, enthusiasm, ability, tact, honesty, faithfulness, initiative, cheerfulness, courtesy, thoroughness, reliability, character, and economy in use of public time. The vital records of the county are under the clerk's scrutiny at all times; therefore, the clerk must have an understanding of deeds, deeds of trust, probates, chattel mortgages, contracts, power of attorney, bonds, attachment liens, court minutes, acknowledgements, charters, citations, warrants, estrays, finances, treasurer's reports, marks and brands, deaths and births, leases, and land patents. I base my qualification on my ability to fulfill the foregoing required conditions of efficiency essential to the success of the office I am seeking.

I do not feel that the county owes me a living, and I am not going to campaign on any sentiment except the sentiment embodied in the foundations of democracy—that all should have an equal chance in public affairs. My County gave me, as it gives every boy and girl, a chance. It gave me my schooling and independence of action, and now it can give me an opportunity to repay all this with service and honor in my county government. I am proud to have the opportunity and a chance to participate in my county government in order to make a living for myself and my family and at the same time have the satisfaction of knowing that I am rendering a valuable service to my county.

If I am elected, I will take pride in my office, protect the interests, and help to make its work successful. I will bring enthusiasm to my work, and be energetic, and systematic about it. I will strive to be reliable, accurate, careful, and thorough. I will be frank and honorable in my treatment of others. I will be above all, determined to succeed in my office and put in full time. I will endeavor to keep the office efficient and above criticism at all times. Believing these principles to be essential to the well being of a public office, I submit them to the considerate judgement of the people of Jones County.

I was born on a farm in Tockmorton County, but I have lived in Jones County about twenty-five years. I lived ten years on the S. M. S. Ellislie Ranch north of Anson and about fifteen years in the Stamford and Tuxedo area. I received four years of my elementary education in the Lakota Rural School

## BAPTIST CHURCH

Services last Sunday were well attended, and two fine boys united with the church. We are looking forward to better attendance this coming Sunday.

Our revival begins Wednesday night, March 20. A letter from Miss Gracia Halsted indicated that she will be with us from the beginning of the meeting to the close. Her chalk talks from night to night should encourage many to attend every service.

We want the revival spirit in the services Sunday. Special efforts are being made to reach 300 in Sunday School. We invite you to one of the classes at 9:45 A. M. The pastor will preach at both the morning and evening service.

What of a revival? Is it not our greatest need? Surely it is, and it is not impossible to have. We have the same God, the same Bible, the same Holy Spirit, and the same Savior we had before Pentecost when the Holy Spirit came in epoch making power to sweep thousands from the bondage of sin into the freedom of grace. Six thousand years of sin has not cooled God's love. He still wants us to have a revival. He still shakes off shakles, blasts walls, open iron gates, melts hearts, and snatches the lost from sloping stairs. When the price is paid, a revival will come.

With nations struggling for existence, and while many are filled with perplexity, join in the community wide movement and "March to Church in March." Special services are planned in most of the churches for Passion Week. You will do yourself an injustice if you fail to attend many of these services.

H. E. EAST, Pastor

The between-term home-coming was enjoyed by four of Hamlin's big fellows attending Baylor University. Fred B. Moore, J. B. Terrell, Clifford Reynolds and J. C. Turner. All were here for the past week-end to see home folks and others. From their looks they are getting plenty to eat down in Central Texas, and Baylor.

Miss Lucille Newsom a student in McMurtry College, spent the past week-end with her parents, Mr. and Mrs. W. E. Newsom.

near Anson. I received the remainder of my elementary and High school education in the Stamford Public Schools, having graduated, with honors, from the Stamford High school in 1932. I attended John Tarleton College in Stephenville, Texas, having graduated from there in 1934. While in Tarleton, I was commissioned as a captain in the Cadet Corps. I also held membership in various college clubs and organizations. In addition to earning an Associate in Science Degree in John Tarleton Agriculture and Mechanical College, I have completed over one year's college work in Hardin Simmons University, Abilene, Texas. For the past six years I have been teaching school at Tuxedo. For the past four years, I have been principal of the school. I am married and have one child.

I have served my state for the past ten years as a member of the Texas National Guard. I have been interested in and worked with the Boy Scout movement as a Scout and Scoutmaster for over nine years, during which time I conducted and helped conduct four educational Scout tours through ten Western States, Old Mexico, and the Golden Gate Exposition.

I feel that my educational, professional, and practical experience has fitted me to serve as your County Clerk. At least, I feel that I am capable of giving the people as good service as any one who may be a candidate or who may become a candidate. I intend to engage in a vigorous campaign free of scandalous reproach and reciprocal agreements.

During the campaign, I hope to see every voter personally and present my candidacy to you. If I fail to see you, I hope that you will consider this announcement as a personal solicitation of your vote and influence. If you see fit to elect me as your County Clerk, you may be assured I will perform my duties to the best of my ability.

Sincerely,

LEONARD McNUTT

## Preparation For War On Mosquitoes Is Underway

W. L. Bough, of Lubbock, field engineer for the State Health Department, was in Hamlin Tuesday in consultation with the city officials and others on mosquito control. The Herald did not find out just what he suggested or what he was supposed to do. Mosquito control is a health problem, but the Department does not do the work or pay for it being done.

The City had already received ample literature from Austin on Mosquitoes and Ye Herald man has given some study to the subject. It may not be possible to rid Hamlin of mosquitoes this season but for one, we are ready to try and the "trying" is an all-spring-summer and fall job. Each home and business house must co-operate as per information if the effort is to be effective. Let's all try.

There are a few mosquitoes left over for "seed" from last year's crop, as usual. It is the She mosquito we are after—the males do not bite humans but play a part in the new crop. A female mosquito does not lay eggs till it has "taken blood" from a human or some bird or animal. If it lives through the winter and begins to deposit eggs in some puddle hole when the temperature gets from 60 to 80 degrees, it must mean she had gotten her "blood" from some of us last fall

or summer. Yes, they live many months, maybe a year, and pull blood, and deposit eggs.

To make the fight effective, we must treat the water in the out-let of the sewer system, treat the puddles in the ditches on the street sides, in the alleys, in old cans, old jars, sagging gutters, water barrels, up or under-ground tanks, flower pots, anywhere water accumulates as long as six or more days. This is not just a "One-Time" job. It must be a "sustained job" as long as the temperature is favorable.

It is TOO LATE to fight the enemy after it has invaded your yard, or your home. Somebody must be held responsible for the "activity" and activity must be continuous. Every stagnant pond in the creek south of town must be treated frequently to kill mosquito larvae. The sewer outlet probably furnishes 75 per cent of the mosquitoes, and thus becomes the apex of battle. Then street-sides and home premises must be cared for.

Wind blows mosquitoes a considerable distance, and that is why farmers complain of mosquitoes some distance from the lakes and streams and sewer of the creek that passes from west to east through South Hamlin. The Herald believes every family will want to co-operate in this worthwhile fight. Let's begin NOW.

## Old Age Assistance Has Worker and Office Here

Announcement has been made of the assignment of an additional Old Age Assistance Worker to Area 32 of the State Department of Public Welfare which is composed of Borden, Crosby, Dickens, Fisher, Garza, Jones, Kent, King, Scurry and Stonewall counties. The new worker, Miss Ethel Lanford, is an experienced public welfare worker and will be of great assistance, particularly in view of the fact that there have been only three Old Age Assistance Workers in the Area.

Miss Lanford will work in Fisher and Stonewall counties and in the northwest corner of Jones county. She will reside in Hamlin, Texas, where she will maintain a regular intake day on the third Monday in each month so that those persons who live in Jones county and receive their mail through the Hamlin post office may call to discuss with her any matters pertaining to Old Age Assistance. Her office in Ham-

lin will be on the second floor of the White Building. Her regular intake day in Stonewall county for this purpose will be on Friday after the third Monday in each month at which time she will be in the Court-house at Aspermont. In Fisher county the intake day will be on Tuesday after the third Monday in each month. There her office will be located on the second floor of the Wright Building, next door to the County Welfare Office.

Old Age Assistance work in Fisher and Stonewall counties has heretofore been handled by Mr. Jim Cloud. Mr. J. Luther Watson, who has been performing all of the Old Age Assistance work in Jones County will continue with his duties except that he will not work that portion of the county now assigned to Miss Lanford. Mr. Watson's regular intake days in Anson are on the second and fourth Wednesdays of each month.

Mr. and Mrs. W. C. Russell and Rev. and Mrs. Henard E. East went to Fort Worth this week to attend the Fat Stock Show and attend to business matters.

Your pretty flower pot, lily pond, and that old can with a bit of rain water in it—all are fine places to breed a batch of mosquitos. Do away with them NOW.

## THIS WEEK

A LITTLE BIT ABOUT

*This*

AND A LITTLE BIT OF

## THAT

Think of This. It is egg time in West Texas. Monday in Hamlin a giant truck stopped in "Produce Block," and a smaller truck frisk from retail store to store bringing load after load of eggs to the big truck—farmers' hen fruit produced from thousands of hens—the cause for a lot of cackling and strutting. 260 cases of Hamlin community eggs . . . think of it, 30 dozen to a case, 12 eggs to the dozen . . . if you are good at figures, figure the eggs . . . and this was just the past weekend crop . . . nobody in America is rationed on eggs!

Not all eggs in Hamlin community are sold—literally thousands are hatched and ere long this community will be again famous for thousands and thousands of fine fat fryers and broilers. Yum! Yum! And when the older folk of this age were young-uns, who ever thought of getting

but one piece of fried chicken at one meal? Think of that!

—T&T—

Kiddoes in "yister years" did not know a chicken had any parts except necks and feet . . . and as for eggs, a fellow never got to taste one unless he was sick and "finiky."

—T&T—

And the Editor has received a pass for himself and "one" to enter the New York World's Fair of 1940. Mind you, just to enter. Now if we could figure out a way to get there, we could enter. We note too that the ticket is signed by a name same as "ourn," and he can not be kin, for kinfolks don't treat a fellow that good. We'll keep the pass, and maybe we can make it by the "Fly-way."

—T&T—

When a newspaper man is complimented, it makes him feel mighty good. For example, this week a visitor here, a former citizen of Hamlin, said he wanted to compliment us on the good looking paper lately appearing, especially for the nice advertising. The compliments should go to the merchants. What keeps a good town a better business center is liberal advertising. A banker also boosted the Herald by saying "take that ad out. I've rented that place, and could have rented it several times". That means don't fail to read the want ads.

### Why All The Pow Wow

Below is a clipping we located in George English's Stamford Leader. We are not sure it is an English Editorial, but it fits to a nat's bristle, and is so appropriate at this time of 1940, we are reproducing it. Read it carefully, and then clip it out and save it for future reference. It reads . . . "Yet, why all this pow wow about a sales tax?"

Why will the poor folks lose money when they are taxed after it is voted on them? They have got to have some way to get money with which

Some weeks ago the Herald announced for Clarence Young his candidacy for County Treasurer, and at that time we ask for his picture. to buy anything, or go on relief, and the sales-tax will give it to them, for that is the purpose of the proposed sales tax—to get money with which to pay old age pensions with, as we understand it. When they get their pensions they will be able to keep off relief rolls, and when they buy with their pension money they will pay back money to the government, small as it is, to help some other poor person or persons to get their pensions paid so they can buy something to eat and wear, thus showing the sales tax to be an endless chain that will help all alike.

While we are neither championing the sales tax or fighting it, we just would like to hear some political prophet tell us about the above.

You'll notice a politician will buy a tank of gas, a half carton of cigarettes, a bottle of gin or red liquor to make a trip of one hundred miles to make a speech and tell the folks what a booger-bear the proposed sale tax is, when he has already paid a sales tax for the very car he drove, the very cigaret he is smoking (and he would have to pay it on pipe or cigar smokes) the gas he is using, the very booze he has gurgled

## YOU CAN PAY MORE -but why?

You can pay a lot more than the modest Chevrolet price for a motor car. But you'll find yourself asking, "Where can I get any more beauty, driving and riding ease, road action, safety and all-round value than I get in Chevrolet for '40?" Particularly when you consider Chevrolet's extremely low prices and Chevrolet's exceptionally low cost of operation and upkeep!

people, whom he promised pensions, rode him bug-hunting, he hunted the sales tax as a refuge in the time of storm. But that was fuller of rocks and reefs than anything else, because he shifted the fire from the forts of the politicians, you know.

As we say, we neither are fighting for or against the sales tax business, but we would like to have the above answered—intelligently, not by some politician or prejudiced individual, or just plain boob who rattles his head off so long as any other unfortunate will listen to him.

If a sales tax is no good, why don't New Mexico, Arizona and California repeal it? Those three states are growing and developing faster than any other three states we know of. There must be a reason—there is a reason, and several reasons: Their poor folks, who were papuers, eat and wear clothes; they pay their school teachers, and not only pay them, but pay them well. In Heaven's name, is there anything wrong with a condition like that?"

## D. W. (Uncle Dan) Maberry Died On Thursday, March 7

D. W. (Dan) Maberry, affectionately known by all the people of the McCaulley community, as Uncle Dan Maberry, died at his home in McCaulley, Thursday morning, March 7, 1940, at 10:30 o'clock.

Mr. Maberry was born in the state of Arkansas, May 20, 1853, and was 86 years, 9 months and 16 days of age. He had lived at McCaulley or in that part of Fisher County for 54 years.

The Herald had hoped to secure a full length sketch of this fine old pioneer's life, but was unable to do so, to a late hour Thursday. However, the name of Uncle Dan Maberry has been a household word in all this section for years and years.

Mr. Maberry is survived by his aged companion and a number of children. He had been a member of the Baptist church for a long time, and the funeral was conducted by a former pastor, the Rev. C. E. Dick, of Cotton Center, Texas, at 3:00 P. M. Friday, March 8.

Interment was in the McCaulley Cemetery, in charge of the Barrow Company of Hamlin.

Mr. and Mrs. Earl Smith and daughter, Twila Ruth, of Graham, were here Sunday to visit Mr. and Mrs. W. F. Johnson and other friends.

The Herald has been furnished with some advance information that three of Hamlin's citizens, Forrest Greenway and Dr. and Mrs. Thurman have made reservations for attendance of the Metropolitan Grand Opera in Dallas on April 17th. They will get to hear Grace Moore, Richard Crooks and Ezio Pinza in "Faust," and in "La Traviata," Jepson, Martini and Tibbett will be starred.

R. M. Grubbs, a produce man of Hamlin, has purchased the Roe home on the corner of 3rd Street and Union Avenue. This place has been occupied by Mr. and Mrs. Burton the past few years. Mr. Grubbs will make a lot of improvements on this place.

The happiest men are those who are thankful for life's responsibilities, not for its prizes and possessions.

Mr. and Mrs. Phil Sparkman of Sweetwater are grieved because of the loss of their baby boy, born to them Sunday night at the Sweetwater hospital. Mrs. Sparkman will be remembered as Florence Boyd, daughter of Mr. and Mrs. W. L. Boyd of Hamlin. Funeral services were conducted at a funeral home there Monday afternoon. The mother is doing fine. The baby would have borne the name William Leonard.

## HERE'S WHAT IT TAKES FOR LEADERSHIP AND FORD'S GOT 'EM ALL!

Built in Texas by Texas Labor

### 1 GOING POWER

—the kind of power that only the V-8 engine can provide—the instant response, the lightning acceleration, the remarkable economy, the swift, smooth, faithful performance. 6,000,000 Ford V-Eights—more than all other Eights combined—say this is the power plant for you.

### 2 STOPPING POWER

The hydraulic brakes of the Ford V-8 are far and away the biggest in the low-priced field—a safety factor you've got to have.

### 3 POWER TO HOLD THE ROAD

No car in any price field excels Ford in roadability—in keeping "all four feet on the ground" under all driving conditions. This means safety plus comfort.

### 4 SMOOTHNESS

Not only in amazing power does the Ford V-8 engine excel, but in the smoothness that gives velvet quiet. Only cars costing hundreds more offer this supreme luxury of 8-cylinder smoothness.

### 5 STAMINA

In staying power, there is no car that can take the rough with the smoothlike Ford. There are more Fords on the highway than any other make of car. This sturdy Ford is made to take it!

### 6 STYLE

Ford set the current modern trend in beauty of lines. And Ford's unequalled paint job makes its beauty permanent.

### 7 COMPLETE ECONOMY

The combination of low price, low cost of operation, high value and more extras at no extra cost, makes the Ford the great economy buy for 1940.

## "A program of industrial development centers around the manufacture of raw materials into finished products"

LOCATED in all sections of Texas, 141 refineries manufacture into finished petroleum products 80 per cent of the State's crude oil production.

In contrast, Texas processes only 3 per cent of its cotton production and none of its wool or mohair.

Petroleum refining now constitutes 41 per cent of the value of all Texas manufactures.

Of the 225,000 Texans regularly employed by the oil business of the State, 25,000 skilled workmen and 5,000 office employees (a \$50,000,000 annual payroll) are employed in this one division of our oil industry.

All of the Texas oil refined in our State, whether used in Texas or shipped to other states, paid last year in taxes an average of 9.8 cents per barrel.

## PEOPLE at work plus MONEY at work equals Texas telephone service

Furnishing you telephone service in Texas requires two things . . . people at work, and money at work. It takes money to provide the poles, wires, switchboards, cables . . . it takes people at work to mold this equipment into a telephone system for Texas.

Busy at the job are 8,500 skilled men and women. Behind each of these 8,500 telephone jobs in Texas is more than \$15,000 in telephone equipment and plant.

The invested savings of thousands of people, the skill and judgment of Texas telephone employees, team together to furnish the best and most dependable telephone service at the lowest possible cost to the user.

## Texas Lions Planning Annual Mexican Trip

"South of the Border, Down Mexico Way!" the Texas Lions, their families and friends are singing as they prepare for their annual pilgrimage on a sight-seeing, good-will mission to the Lions of Mexico, on April 4th to 15th.

This annual affair, sponsored by the Fort Worth Lions and endorsed by the five District Governors of Texas, is looming this year as one of the largest and most enthusiastic of the three such events in as many years. General Chairman Julien C.

Hyer of Fort Worth, Past International President and in charge of the former trips announces that the Committee's Secretary, Russell Fox, has just returned from a visit to the Southern Republic where he completed hotel, entertainment, and amusement details, which included banquets with the Lions of several of the Mexican clubs, an overnight stay at Taxco, a visit to the American embassy and a grand ball to be tendered the Lions of the Pilgrimage by the Lions of Mexico City.

"We have already reservations from a number of Lions and non-Lions (who are quite as welcome and treated with the same consideration) from Texas and from other states, extending from Pensacola, Florida to Reno, Nevada. If the early reservations mean anything we will double last year's numbers," Hyer stated.

## Change Winter-killed oil— and here's why to change to OIL-PLATING

Slush in the gutter is scarcely thinner and dirtier than Winter oil over-staying in your engine. Drain now, warns your judgment—and Car Manual. But get more than a re-filled crankcase. Get cylinders, rings, bearings, and other precious parts OIL-PLATED by making sure that you change to Conoco Germ Processed oil—patented.

Your Mileage Merchant puts it in at an ordinary price, in the ordinary way. But how extraordinary is the man-made extra substance in the Conoco formula, that sets Germ Processed

oil apart. For here is oil whose strong "power of attraction" makes engine parts draw glossy OIL-PLATING all over themselves and keep holding it close—as drain-proof as plating on hub caps.

Not for one instant can OIL-PLATING go draining "down home" to the crankcase. Though you're speeding the limit or parking long hours, OIL-PLATING is always faithfully maintained. All in addition to the strong oil-film of Germ Processed oil, this drain-proof OIL-PLATING helps to keep down wear. And that's how to keep your engine nearest to the oil economy of its youth. Your correct Germ Processed oil for Spring, at Your Mileage Merchant's Conoco station today, will give you the change to an OIL-PLATED engine. Continental Oil Company

## Mr. and Mrs. Clements Entertain Merry Makers

Mr. and Mrs. Ira Clements entertained the Merry Makers Club in their home on Jackson Avenue Thursday evening.

An Easter theme was emphasized in decorations and game appointments and was also repeated in the attractive refreshment plate.

Games of 84 were played during the evening with the men winning the high score. Those playing were Mr. and Mrs. Hubert Morten, Mr. and Mrs. J. E. Moody, Mr. and Mrs. R. B. Wiar, Mr. and Mrs. Blakely Campbell, Dr. and Mrs. Joe W. McCrary, Mr. and Mrs. Ivy Witt, Mr. and Mrs. S. E. Brooks, Mrs. Mary Farrow, and the host and hostess.

## Mr. and Mrs. Guyann Davis Honored With Shower

Mmes. J. W. Hines, Clinton Payne, Grover Smith and T. T. Brady Sr., were joint hostesses, Thursday evening, March 7, entertaining in the beautiful country home of Mr. and Mrs. J. W. Hines, honoring Mr. and Mrs. Guyann Davis with a gift shower.

Guests were welcomed by Mrs. Sigmond Stovall and directed to the register which was in charge of Miss Nancy O'Neal.

After several games of Chinese Checkers and 42 had been played a messenger arrived with a telegram for Mr. and Mrs. Davis which directed them to a large box of lovely and useful presents.

At the refreshment hour Mrs. J. W. Hines presided at the punch bowl. Others assisting in serving were Mrs. R. J. Robertson, Mrs. Kelly Scott and Mrs. Clinton Payne. During the evening music was furnished by Mrs. T. T. Brady, Jr. Goodbyes were said by Mrs. Sigmond Stovall.

Those enjoying this pleasant evening were Messrs. and Mmes. Kelly Scott, H. A. Eckler, Clinton Payne, J. W. Hines, E. C. Davis, R. J. Robertson, J. M. Stubbs, Sigmond Stovall, Dode Sanford, T. T. Brady, Jr., Bert Whaley, Wallace Walton, Edward Gardner, Roy Bruner, Silas Devenport, J. M. McGough; Mmes. W. A. O'Neal, T. T. Brady, Sr., Grover Smith, R. E. McCormick and Pete Fudge; also Misses Jackie Barton, Alice Wells, Lois Brady, Betty Jean Barton, Ger-

trude Eckler, Maxine Smith, June Barton, Rose Marie Brady, Gladys Davis and Nancy O'Neal; Messrs. Henry and James Brady, James McGough, and L. B. Bruner.

Those who were unable to attend and sent gifts were Mmes. Ed Bailey, Hayes Malone and Sam Doyle.

## Miss Pearl Whiteley Club Hostess

Miss Pearl Whiteley was hostess to members of the Tuesday Club in her home on Union Avenue, Tuesday afternoon, entertaining with two tables of contract. A spring theme was featured in tallies and also repeated in the refreshment plate which held salad, sandwiches, wafers and tea.

In bridge games, Mrs. J. L. Keen and Mrs. O. L. Henry held high scores. Others playing were Mmes. W. F. Johnson, R. B. Wiar, Bowen Pope, W. J. Poe and Misses Eleanor Temple and Allie Whiteley.

## St. Patrick Theme For Club Party

A Saint Patrick theme was emphasized in decorations and game appointments Tuesday afternoon when Mrs. Art Carmichael entertained members of the Blue Bird club in her home on Union Avenue. Bowls of blooming hyacinths added a floral touch to the room where two tables of contract were in play and the St. Patrick motif was repeated in the attractive salad plate served at the refreshment hour.

High score was made by Mrs. Joe Culbertson. Others playing were Mmes. Ted Bledsoe, John Ed Day, R. E. Johnson, Elmer Feagan, Paul Fowler, Bob Low and Travis Dean.

The Dean of Women of S. M. U. compliments Miss Mary Beth Moody of Hamlin, a Senior, on her outstanding scholarship in the outcome of her examinations for the 1st semester. This places Miss Moody on a distinct honor list. She was one of 300 students to make the honor roll.

## EVERY CHILD SHOULD BE LISTED IN CENSUS

Has the school census taker been by your house? At this time the school census has been taken. If your children were not taken or if you know of any children not taken, please call 191, 192, or 232.

We are anxious that every child between the age of 6 and 18 on September 1st, shall be enumerated. It is evident that we are going to enumerate a smaller number of children this year than we did a year ago. Which means that the State of Texas will send the Hamlin schools less money.

In order not to cripple the Hamlin schools or to make the financial struggle more difficult, please see that any children in your home between the ages of 6 and 18 are reported.

Mr. and Mrs. Sam Alford and and baby and their mother, Mrs. Oscar Owen, of Albuquerque, N. M., are guests in the homes of Mr. and Mrs. Stanley Carmichael and Mr. and Mrs. Ira Clements.

## Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK-DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

Next time, take time-tested, economical BLACK-DRAUGHT.

Anything that will hold an inch of water makes a good nest for mother mosquito to deposit a batch of eggs, and later, O Gosh, it just takes a few days of warm weather to do the trick. Look out for old buckets, old cans, NOW.

## Friday Night, March 15 Is One-Act Play Night

Friday night at 8:00, the senior class of Hamlin High school will present One-Act Play Night in the High school auditorium.

The series of seven one-act plays, directed by students, is presented for the purpose of selecting characters for the annual class play on the basis of the individual student's ability and initiative. Each play and cast is chosen and directed by a student director. This gives each student an opportunity to "try-out" for a part in the class play and to prove his ability by actual stage experience. This is the only all-student activity in Hamlin High school.

A small admission of 5c for children and 10c for adults will be charged. Proceeds will be used to defray the expenses of the annual senior play to be presented in April.

Jimmy Dunlap's Clover Farm grocery store is presenting a new young salesman this week. His name is W. G. (Garland) Feemster of Seymour. Mr. Feemster takes the place of Morrison Nicholson who has been with the Clover Farm Store for the past eighteen months. Nicholson is in California and since he is a live wire young fellow Hamlin may hear of his success in that famous state. Mr. Feemster could pass for a "marriageable" man but that day is past—he has a wife and two children and as soon as he can secure a proper house his family will join him. Already Mr. Feemster is in love with Hamlin.

## BOYD CHAPEL CHIRPS

(By Mrs. L. F. Cozzen)

Singing at Lester Woods Wednesday evening was well attended. The next Wednesday evening singing will be at Mr. and Mrs. R. L. Milstead's, March 20.

Rev. J. D. Vaughn filled his regular place in the pulpit at the Baptist church Saturday evening, Sunday morning and evening. These services were well attended.

We had several old timers and neighbors at the services, namely Mrs. Rosa Emmory and daughter Viola and Mrs. C. S. Rumfield and daughter, Mrs. Ray Boyd.

Mr. and Mrs. E. E. Wheeler of Tulsa visited in the home of her brother, L. F. Cozzen Friday night and Saturday.

Several of the boys from our community attended the Boy Scout meeting at McCaulley Monday evening, through the generosity of W. W. Kelly.

We had for entertainment at P. T. A. Thursday evening the debate team from McCaulley. Their subject was: "Resolved that Texas should adopt the system of socialized medicine." Affirmative, Misses Katy Akins and Ira Bell Jones. Negative, Stanley Jackson and Walter Cypert. The chairman was Miss Frances Davidson. They really handled their parts well. We look forward to Mr. Powers bringing us more entertainment.

Mr. and Mrs. Luther Haught entertained the young folk in their home Friday evening. Everyone reported a big time and glad to have a number of the Carpenters Gap and Sinclair young folk with them.

Mrs. Judge and Wortham Crow and Edna Maude Crow and Mrs. Lester Woods visited Mrs. Laurence Holly at the hospital in Abilene Saturday. We are all so sorry to know Mrs. Holly is very sick. We wish for her a speedy recovery.

Mrs. Lucille Crowder and baby visited her parents, Mr. and Mrs. Joe Allen Saturday night and Sunday.

Mrs. Jim Hubbard of Tahoka visited her brother, Tom Carter and family the past week.

Mrs. Coy Fielder and small daughter of Tahoka visited her parents, Mr. and Mrs. Alvin Dean Monday of last week.

Mrs. Earl Brown was in Abilene Saturday.

Mrs. Buster Bingham is convalescing and was spending a few days with her mother and sister of Abilene last week.

Mrs. Irvin Hamlin and Mrs. L. F. Cozzen attended council of the H. D. club Wednesday afternoon of last week at Anson.

Friday night is One-Act Play Night. High School Aud. 8:00.

## Rabbit Drive At The Cooper Ranch Tues.

March 19 is Tuesday of next week. The Cooper Ranch is 8 miles northwest of Hamlin, and the drive will start at the headquarters and drive west. There are lots of rabbits, and plenty of good eats will be served at noon, at the Charlie Leach tank. Come along shootin'.

## Rabbit Drive Next Wed. At Swedonia

The citizens of the Swedonia community announce that they will have a rabbit drive starting at the school house at 9:00 A. M. Wednesday, March 20 (look on your calendar, yes, that is right). They will serve barbecue at the school house at noon, and invite all who like to kill rabbits to come and line up in the battle.

## Kill Rabbits On Tom Holman Farm, West

March 22 is Friday, and Tom Holman announces that a rabbit

drive will start at his farm three miles west of Hamlin at 8:30 A. M. Be on hand early to receive full instructions about the drive direction and where the eats will be at noon. Remember it is Friday, March 22nd.

The senior class presents One-Act Play Night at the High school auditorium tonight at 8:00.

## Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI's principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodic distress. Women have used CARDUI for over 50 years.

Billy Fomby, of Kermit, spent the week-end here with his parents, Mr. and Mrs. J. W. Fomby.

## DOVIE NEWS

By Vada Taylor

March 13—The Mission Band from McMurtry College presented a program Sunday morning at Dovie school house, titled "Love Never Fails." The community wishes to show its deepest appreciation by reporting that the program was enjoyed by all. We welcome the band back to Dovie every time they feel they can spare a period of time with us.

A special council meeting was held Tuesday night at the home of Mr. and Mrs. R. E. Bessire. The president called the meeting to order. We had a short prayer service, then discussed parts to be given in programs for the next two weeks. Refreshments which were very much enjoyed, were served by Mrs. Bessire and her son, Morris.

Miss Lucy Katherine Rowell, of Anson, was a week-end guest in the home of her aunt, Mrs. Frank Waggoner.

Talk over the mosquito problem with your nearest neighbor, and cooperate with each other in doing away with anything that will hatch out mosquitos, and do it NOW.
